EXPORT & IMPORT CONTAINER HANDLING

SHREE AAVAD ENTERPRISE offers end-to-end solutions to your import and export container requirements.

Started single handed in 2002, with just one truck, **SHREE AAVAD ENTERPRISE** today owns multiple fleets of trucks and trailers with different sizes and payload capacities.

ODC CONSIGNMENT

We are specialized in providing customized vehicles to our valued clients for transporting their project cargo across Pan india.

We provide ODC vehicles as per cargo's dimension. Our well backed and experienced crew are trained to depart the cargo on time followed by the proper alignment and loading, unloading of the consignments.

Our in transit crew are specialized in road survey ensuring there are no hassle on roads.

MULTIMODAL TRANSPORTATION

Providing cost effectiveness and flexibility, we deliver optimized Multimodal Transportation solutions by combining transportation modes across road, sea and air. These modes include conventional as well as containerized railway options.

REEFER CONTAINER WITH GEN-SETS

We provide refrigerated containers, commonly called reefer vehicles, which can control temperatures, allowing everything from fruit, vegetables and dairy products, chemicals and pharmaceuticals. A reefer is a refrigerated box car for transportation of perishable goods.

INSURANCE

We have tie-up with insurance companies for covering all types of container risk all over India which also covers empty container off loading.

HEAVY HAULAGE

We also provide all type of heavy vehicle which can carry 50 tons to 100 tons, from major infrastructure projects to generalized transport of over dimensional freight, we offer heavy haulage solutions designed to transport oversized structures and equipment. No matter how challenging the geography or how complex the lift, we work with our customers in the planning of each project to help ensure timely and effective completion.
